

### **CN8MC Beacon Back on Air**

Dai, G8FXM, Friday 28 March 2008 - 15:59:33

Hi to all 6m Fanatics. The **CN8MC** Beacon is agn on the air with only 6watts into a jpole antenna @ IM63NX in the BATHROOM association (not in the toilet as said **CN2WW**). I changed the **GJ3RAX**'s keyer with smaller keyer made by **OZ2M**. Tnx BO & all who made the CN8MC/b on the air. 73s de **CN8LI**/Said.
